Subj: DVDs of CCF with wonderful images

Dear Doc,

The first event that I attended in my spring tour was with you new DVDs as gifts and as promotional merchandise for sale for CCF. Thank you so much for donating 1000 of these beautifully rendered DVDs of CCF with wonderful images and lots of very interesting information. We truly appreciate your kind efforts and will promote these everywhere we go in our efforts to raise awareness and funds for the cheetah.

I want you to know that I still enjoy the memories of meeting you at the TIGERS facility and spending time with the cheetahs. I am so pleased to hear that they are doing well and have become very socialized and playful since my visit there.

Please stay in touch and know how grateful we are to have your support and your kind donation to spread the word of our conservation efforts via your DVDs.

Cheetah purrs and thanks,

Laurie
